BRIEF HISTORY

The South Hants Vehicle Preservation Society was formed in October 1968, and has a membership of around 300. It aims to cater for old vehicle enthusiast with a wide range of interest and accepts all classes of vehicle on to its register provided it is at least 25 years old.

The Classic Vehicle Show & Autojumble began in a small way over 32 years ago. After out-growing various sites in the Havant area, the Club moved to its present venue at Queen Elizabeth Country Park in 1992.

In recent years it has greatly expanded the vehicle rally by inviting various other clubs to take part, and we are hoping that this year's show will be the biggest yet.

Last year we had over 350 vehicles and 160 stalls booked

We look forward to you joining us on what we expect will be a memorable day.

On site facilities include public address, catering, a bar, children's entertainment and toilets, as well as unlimited free public car parking.

The event is widely advertised, both locally and nationally, and always attracts visitors from a wide area. In addition to the vehicle displays there will be children's entertainments. The Country Park Visitor Centre is only a short walk from our site, so there should be plenty to keep the whole family entertained throughout the day.

Hope to see you there!
